

EYES IN Magazine Edition 49 Explores Innovative Film, Photography, Health & Art

1888 Press Release - The 49th digital edition of EYES IN™ Magazine explores the innovation of the late artist Louise Bourgeois; filmmaker Sam Pressman; photographer Marco Tassini; and health advocate, Dr. Chuck Benbrook.

Vivian Van Dijk, Editor-in-Chief and President of EYES IN™ Magazine, has released the interactive, 49th digital edition of EYES IN™ Magazine, which explores the innovation of artist Louise Bourgeois; filmmaker Sam Pressman; photographer Marco Tassini; and health advocate, Dr. Chuck Benbrook.

Featuring in-magazine videos, slide-shows and more, ad-free, Edition 49 showcases the world's innovative creators from fashion photography, science, film, and art. EYES IN™ Magazine Edition 49 explores the innovation of fashion photographer Marco Tassini; an exhibit on the life of the late artist Louise Bourgeois; and looks at the work of filmmaker Sam Pressman as he pays tribute to Werner Herzog with his film, *Reconquesting the Useless*.

Enjoy snippets from a few interviews:

Photography: "...what exactly is a masterpiece? Almost every single piece of work someone creates could be considered a masterpiece. It all depends upon how individuals view it." ~ Marco Tassini

Film: "Where I'm at right now in my life I'm always trying to absorb as many stories as I can and order them into films. I am just consumed with capturing these histories." ~ Sam Pressman
